8. [] Received a call from Mike McLeod, General Counsel, Senate Agriculture Committee, indicating an interest in information from the Agency regarding crop report studies which the staff must submit to the Committee upon its return in September. He is specifically interested in a briefing on Soviet grain production. I told McLeod that [] of our staff, had been in touch with Tom Saylor, of their staff, and had planned to contact him today for just such a purpose. After conferring with [] I advised McLeod that we would be available for a briefing of himself and Henry Casso, Chief Economist, whom he mentioned was also interested. The briefing was scheduled for 9:00 a.m. tomorrow.
